Gentlemen,

I am referring to your confirmation letter of July 17, 2002 in which you are unable to accept my non-publication proposal because of non timely filing request.

I really had no idea there was a proper request needed for applicant to submit at the time of filing since I did not find such an application form upon receiving your filing forms. May I ask you to send me this non-publication form to fill out so as to fulfill your request ?

Looking forward to receiving your reply.

Respectfully,

Henri Duong
